IDEA 0520
Copy 2 of 3

13 OCT 61

MEMORANDUM FOR: Chief, Material Staff, DPD

25X1

ATTENTION: [redacted]

25X1 SUBJECT: Mil Spec 25524A Fuel

1. It is requested that you confirm the quantity and suitability of Mil Spec 25524A fuel at [redacted] 25X1

25X1

2. There should be a minimum of 4000 gallons at [redacted] 25X1 5000 gallons [redacted]. Of course all must be usable, uncontaminated fuel.

3. The quality of the fuel on hand at the above-mentioned stations may be suspect because of the recent findings at Taiwan and Japan. If so, then it is urgently necessary to preposition the stated minimum quantities of usable fuel mentioned in para 2 above for support of pending IDEALIST operations in those areas.
